Subject: Flag Etiquette pamphlet

Greetings,

Thank you for turning in your unserviceable Flag. Please accept this Flag Etiquette pamphlet as a token of appreciation from the members of American Legion Post 305 in The Woodlands. The pamphlet outlines, in considerable detail, the proper care, display and handling of our Nations' Flag.

Post 305, here in The Woodlands, is proud to assist local residents in disposing of unserviceable flags by conducting a proper, dignified ceremony, in accordance with the U.S. Flag Code. We normally conduct this ceremony in conjunction with our regular meeting on the 3rd Thursday in June which is usually close to Flag Day, and other times when we get a number of Flags given to us to be disposed of.

I hope that you continue to proudly display our National Colors.

Once again, on behalf of all members of Post 305, thank you for your patriotism.

For God and Country,

Emery Heuermann
Post 305 Commander
